

The image consists of a grid of small, uniform circles arranged in a regular pattern. The circles are white with black outlines, set against a plain white background. They are organized into a series of concentric squares, with each square's side length increasing by two units as it moves outwards from the center. The innermost square contains 4 circles, the next contains 16, then 36, 64, 96, 128, 160, 184, 208, 232, 256, 280, 304, 328, 352, 376, 400, 424, 448, 472, 496, 520, 544, 568, 592, 616, 640, 664, 688, 712, 736, 760, 784, 808, 832, 856, 880, 904, 928, 952, 976, 1000 circles respectively. This results in a total of 100 rows and 100 columns of circles.

A large grid of 100 empty circles arranged in 10 rows and 10 columns. The circles are evenly spaced and form a perfect square pattern.
